

CLIENT AND PROJECT CONTROLS

Project Control Forms

Access, AI approval, change control, acceptance and secure handover

Provider	Heutrix Pty Ltd ABN 64 702 109 662 ACN 702 109 662
Version	2.0 review draft 13 September 2026
Use with	Heutrix Client Services Agreement and signed SOW

REVIEW DRAFT. Complete document 09 approvals and every required field before client issue. No legal review, business approval or effective date is recorded by this file. Keep completed client copies outside this repository.

Use: Complete the relevant form before the event it controls. A form does not expand the Services unless it is also signed as a Change Request where fees, timing or scope change.

Forms in this pack

- A. Data and System Access Authorisation
- B. AI Use Case Approval
- C. Change Request
- D. Deliverable Review and Acceptance
- E. Handover and Access Closure
- F. Privacy request and complaint record
- G. Incident assessment and response record

PROJECT CONTROL FORM | A

Data and System Access Authorisation

Records the minimum approved access before Heutrix enters a Client system or handles protected data.

Project / SOW	_____
Client	_____
Form date	_____
Prepared by	_____

Authorised purpose and scope

Business purpose	_____
System / tenant / site	_____
Environment	☐ Sandbox ☐ Test ☐ Production ☐ Other: _____
Access start	_____
Access expiry	_____
Heutrix authorised user(s)	_____
Access level	☐ View ☐ Edit ☐ Admin ☐ API / service account

Approved data

Classification	☐ Public ☐ Internal ☐ Confidential ☐ Personal ☐ Sensitive / health
Data categories	_____
Data subjects	_____
Prohibited fields	_____
De-identification / test data	_____
Approximate volume	_____

Controls and authority

Authentication / MFA	_____
Approved device / location	_____
Download / export	☐ Prohibited ☐ Approved only as follows: _____
Approved storage	_____
Subprocessors / countries	_____
Monitoring / logs	_____
Return / deletion	_____
Client legal authority	Consent / contract / law / other: _____
Client privacy notice	☐ Confirmed ☐ Not applicable ☐ Action required

The Client confirms it has authority to grant this access and provide the approved data. Heutrix accepts the access only for the stated purpose and controls. Any expansion requires written approval and, where material, a signed Change Request.

Signing

Each signatory confirms that they are authorised to bind the party named below. Signatures may be electronic and in counterparts.

Approved by Heutrix	Approved by the Client
Signature: _____	Signature: _____
Name: _____	Name: _____
Position: _____	Position: _____
Date: _____	Date: _____
Email for notices: _____	Email for notices: _____

PROJECT CONTROL FORM | B

AI Use Case Approval

Approves one tool and one defined use case with accountable human review.

Project / SOW	_____
Client	_____
Form date	_____
Prepared by	_____

Use case

Tool / model / version	_____
Account / tenant	_____
Purpose	_____
Input	_____
Output and audience	_____
Frequency / volume	_____

Data and provider settings

Maximum input class	☐ Public ☐ Internal ☐ Confidential ☐ Personal ☐ Sensitive
Identifiers removed	☐ Yes ☐ No - explain: _____
Provider training / reuse	☐ Disabled ☐ Not applicable ☐ Other: _____
Retention	_____
Hosting / access countries	_____
Contract / privacy review	_____

Human control and prohibited use

Accountable owner	_____
Human reviewer	_____
Review checklist	Accuracy / source / context / bias / privacy / professional suitability / other
Final decision owner	_____
Prohibited reliance	Clinical / care / safeguarding / eligibility / legal / employment / financial / compliance / regulatory
Escalation trigger	_____
Approval expiry / review date	_____

A classification option cannot override a data prohibition. Attach form A where required; approve provider/retention/region changes before use.

Approval condition: AI output is a draft. Approval does not transfer professional, clinical, privacy, compliance or management responsibility to the tool.

Signing

Each signatory confirms that they are authorised to bind the party named below. Signatures may be electronic and in counterparts.

Approved by Heutrix	Approved by the Client
Signature: _____	Signature: _____
Name: _____	Name: _____

Email for notices: _____	Email for notices: _____

PROJECT CONTROL FORM | D

Deliverable Review and Acceptance

Records objective review against the SOW without waiving non-excludable rights or latent defects.

Project / SOW	_____
Client	_____
Form date	_____
Prepared by	_____

Deliverable / version	_____
Submitted	_____
Review period ends	_____
Acceptance Criteria reference	_____

Review result

- ☐ Accepted - the Deliverable meets the Acceptance Criteria.
- ☐ Accepted with minor items - the Deliverable may be used, subject to the actions below.
- ☐ Not accepted - the specific material non-conformities and evidence are listed below.

Evidence / test result	_____
Required correction	_____
Owner	_____
Target resubmission	_____
Residual risks / open items	_____

Acceptance is for project administration and does not waive a latent defect, an express warranty, a consumer guarantee or a right that cannot lawfully be excluded.

Signing

Each signatory confirms that they are authorised to bind the party named below. Signatures may be electronic and in counterparts.

Acknowledged by Heutrix	Decision by the Client
Signature: _____	Signature: _____
Name: _____	Name: _____
Position: _____	Position: _____
Date: _____	Date: _____
Email for notices: _____	Email for notices: _____

PROJECT CONTROL FORM | E

Handover and Access Closure

Confirms delivery, knowledge transfer, access removal and data disposition at project close.

Project / SOW	_____
Client	_____
Form date	_____
Prepared by	_____

Handover checklist

- ☐ Final Deliverables and source/editable files provided as agreed.
- ☐ User guide, operating notes, configuration and maintenance instructions provided.
- ☐ Training or walkthrough completed; attendance/evidence recorded.
